Re: *CNHA Speakers & Practitioners Bureau Registration*

CNHA has developed a *Speakers & Practitioners Bureau* to help promote and highlight the talent and knowledge of Native Hawaiians in a broad spectrum of community and cultural expertise.

Throughout the year, we receive requests from a variety of organizations here in Hawaii and on the continent for referrals of individuals interested in conducting workshop presentations, lectures and other speaking engagements on a variety of topics. Many times, these opportunities present powerful venues to share the energy of the work of Native Hawaiians and our communities.

We created the *CNHA Speakers & Practitioners Bureau*, a listing of individuals and organizations from which we can refer speakers and presenters to the entities contacting us. This includes media referrals as well, to increase the diversity of voices and Hawaiians contacted by the mainstream media outlets to share their views on topics important to them.

Please consider individuals and representatives within your organization to register to the Bureau. As you know, each time we share the knowledge and expertise of our community, particularly the work of organizations like yours, the entire community is strengthened. Whether sharing Hawaiian culture by conducting an opening protocol at a visiting convention or conference, or making a presentation on affordable housing, or health initiatives, the passion and work of community development practitioners continue to be a testament to our entire community.

To register, please complete the enclosed form and return it to CNHA by mail or electronic transmittal to [events@hawaiiancouncil.org](mailto:events@hawaiiancouncil.org) at any time. We appreciate the opportunity to serve our member organizations and community – we will continue to dedicate ourselves to advance the important work that you do. Please contact Sean Craig, Assistant Vice President should you have any questions or require additional information.
